

Louis Bonavia

Fund Raising Event

Dear Family, Friends & Divers

*Most of you heard of the terrible accident of our dear friend and professional skin diver **Louis Bonavia** which unfortunately left him partly disabled while practicing his passionate sport, on the 25th May 2009.*

***Louis** has been practicing spear fishing for the last 30 years. He achieved great honours for Malta, placing 2nd as an individual competitor in the **World Spear Fishing Championship Competition** held in Minorca. He also formed part of the Malta Championship Team, when Malta used to achieve top places. He also won various trophies in local competitions.*

***Louis** is still recovering at Mater Dei Hospital under the great care of the Medical Staff at the Orthopedic/Burns Unit Ward. Unfortunately it's a long healing process, but with Louis's determination, great courage and with our prayers, we look forward for his speedy recovery.*

Regards

Veronica Busuttil

Solidarity **BBQ**

With great courtesy
